2019-20: Guide Right Calendar

As we start this year's Guide Right Program, we would like to welcome you to a new year! As a chapter, we want to ensure that we are fully prepared to engage students and parents in providing mentorship to our young students of color in the greater Bergen County area. Based on several meetings prior to September, it was decided and agreed that ETAC would not only continue to partner with JDMS, but also extend our community reach by working alongside other chapters within the Province as part of the initiative to promote Kappa League/Guide Right efforts.

Moreover, this year we want to be intentional in our efforts as a chapter to be active with supporting our Guide Right initiatives. Further, all parents are asked to bring their child so we can introduce ourselves, as well as provide all participants an opportunity to fellowship with each other. For your added convenience, we have provided a tentative calendar of dates for the year as noted below:
